

Local Course

David C. Perdian, Ph.D

Associate Professor of Chemistry
Faculty Development Coordinator
Broward College

Why Local?

Spring 2022

Higher Education Emergency Relief Funding (HEERF)

College incentivizing professional development for faculty members

Deadline for funds

Cohort

Open to faculty members from all disciplines

38 Faculty members enrolled

25 faculty members completed the course

Structure

Shortened Course to four weeks

Learning community meetings each week

Discussion threads in our LMS

Outcomes

Faculty members shared overwhelmingly positive feedback

Wouldn't shorten course if there wasn't a need.
